

# Omar Veliz

## Founder, *Veliz Construction*

Omar Veliz founded Veliz Construction in 2009 and began operations in 2010. The company has since successfully operated in El Paso Texas serving the west Texas and southern New Mexico market. In 2019 the firm established an office in Austin Texas to serve its customer in the central Texas region. The firm principal customers are the Texas Facility Commission (TFC), the University of Texas at El Paso (UTEP), the University of Texas at Austin (UTA), the City of El Paso (COEP) and the Government Service Administration (GSA). Omar is a professional engineer registered in the state of Texas and New Mexico. Throughout his professional career expanding over 20 years, he has acquired a broad knowledge in construction. Under his leadership, Veliz Construction has established and promoted a diversified growth into the federal, state (Texas) and municipal markets. As company president, Omar's primary responsibilities include the development and implementation of both short-and long-term company-wide strategies in order to achieve extraordinary results for its customers and build satisfying careers for its people. Omar takes pride in the company's commitment to excellence and a culture based on three core principles: Value, Integrity and Performance.
