

Dental Assistance for Ministerial Staff and Their Spouses 2020

Baptist Mobile Health Ministry (BMHM) is again the recipient of grant funding from the Georgia Baptist Health Care Ministry Foundation to offer dental assistance at no charge to ministerial staff and their spouses and widows of ministers who do not have dental insurance or the financial means to obtain dental care. The services offered are dental hygiene, x-rays and restoration and extraction of teeth. We strive to see any ministers and their spouses yearly. If it is possible, we will see them twice yearly as needed for pain relief and fillings or extractions.
