Establish your career...

Securitas Protective Services PPO#14827

We're Hiring.

Securitas offers our employees numerous paths to grow with the company and advance their careers. We equip them with the tools, mentoring and training they need to develop as employees, as well as the opportunity to progress into more operational and senior security positions. Many in our company started their careers as officers.

A Future Worth Starting

Securitas teams come from all walks of life, bringing with them a variety of distinctive skills and perspectives. We are committed to hiring and retaining a diverse workforce. United through our common purpose, we provide the security needed to safeguard our Clients' assets and people.

We offer competitive wages, free training, free uniforms, flexible schedules, bonus programs, benefits, career advancement and so much more.
