

Silicon Valley Chapter #99

December 2021

President's Letter

Leading and Building Our Future

Happy Holidays! I hope everyone had a nice Thanksgiving.

Our November panel discussion on growing and succeeding in the construction industry as a woman owned business was very informative. It was so fun to hear how Brittni, Jean and Jennifer got their start in the construction industry. There was a wealth of information from these dynamic women business owners on how to proceed in starting your own company.

Becky has planned a fun and festive night for our December meeting which be at Fiorillo's Restaurant on December 15 in Santa Clara. This will be a joint meeting with the San Francisco Chapter. Come join us for an evening filled with good food, good company and holiday cheer. Bring a friend or colleague and bring an item for the One Warm Coat project.

Unfortunately we will not be having the Crab Feed in January 2022. Due to the delay in the crab season we are unable to get pricing at this time. Shawna and I will be putting together a Casino Night fund raiser for spring or early summer.

We are planning the Block Kids competition but are having trouble finding a venue to host the event. If you know of a facility that would be willing please send me an email laura@expertdrywall.net.

As the New Year begins the January meeting will focus on goal setting. Mitch Savoie Hill will be our speaker and the topic will be learn how to set a goal and work towards that goal. She will also talk about how to shift when things do not goes as planned. We will also be creating vision boards. It will be a fun way to begin the New Year. This will be held January 26, 2022 place to be determined.

The February meeting topic will be Law Revisions for 2022 in the construction industry.

Thank you to all of our corporate sponsors.

I look forward to seeing you on December 15th at 5:45 pm.

Sincerely

Laura Grabar

President 2021-2022
