

Silicon Valley Chapter #99

August 2022

President's Letter

Leading and Building Our Future

Hello NAWIC Sisters. I hope everyone took some time off to enjoy this wonderful California summer. I can't believe it is almost over and school has either started or will be starting soon.

A big thank you to Steve Grabar and Jarius Corry of Expert Drywall Systems Inc for showing us how to make drywall repairs at our June meeting. It was a fun and informative time. I am not sure if we had more fun putting holes in the walls or performing the repairs.

Congratulations to the new board members. Angie is busy planning the upcoming year. She will be sending out the invitation soon for the planning meeting. This meeting is open to all members. There are several openings for committee chairs for 2022-2023. Please see the sign-up list in the newsletter.

Membership continues to grow. We added 4 more members since June putting us at 74 members.

AMEC will be August 17-20 in Minneapolis MN. Lauline Mitchell of the San Francisco chapter will be installed as the new National President. We will also be celebrating the 10th anniversary of our sister chapter from Guam.

August 24th will be our sponsor appreciation night along with a presentation on new guidelines for operating leases given by Abbott, Stringham & Lynch. It will be at Dailey's Drywall. This is our chance to thank our corporate sponsors for their support. We surpassed our sponsorship goal this year. This is a great meeting to bring your boss/employer to thank them for your NAWIC membership and treat them to dinner. Please plan on joining us in thanking those that help keep our chapter moving forward in leading and building our future.

September is the time to renew your membership. Emails have gone out from National. If you received an email you need to renew your membership by September 30, 2022.

Installation will be held on September 28, 2022 location TBD. I hope you can attend to say thank you to the outgoing board and welcome the incoming board.

Fall Conference will be in Bend Oregon September 30 and October 1, 2022. Registration is open for this event.

I look forward to seeing you August 24th at 5:45 pm.

Sincerely

Laura Grabar

President 2021-2022
