FUTURE LEADER – APRIL VICCHRILLI
Chapter 99 Nominee

Our Future Leader of the year is more than deserving of this honor. She is NAWIC's future, and already has our chapter heading in an updated direction. As soon as she joined, she immediately signed up on numerous committees, and soon became the chapter's secretary. This is not an easy task, but she has strived in the position, and already thinking about moving up the ladder. She has yet to stop, and we see no end to her dedication! I see her goal is to be our future Chapter President.

Enthusiastic, creative, and inspiring is all part of this member's name. As a new member herself, her motivation has a tremendous impact on the women involved in this association by being a role model to the newer members, and her dedication to bring energy to the table.

Information and questions is what our nominee is absorbing to take on her leadership role, and to continue to grow with the chapter as well as the region. She has attended all chapter meetings, all regional events we have had during Covid, and this year hopefully will be her first and certainly not last convention.

Besides her chapter involvement, our nominee has served on the Social committee, Marketing Chair, WIC Week committee, newsletter, fundraising committee, membership committee, and always the first to raise her hand to help. Her potential, commitment, and success is on the way to the top of the ladder to be one of our chapter's next leaders.

As a NAWIC asset, our member shows in every way what we all should be aspiring to- We are proud to submit this accomplished woman as our Future Leader of the year.

Please give serious consideration to our nominee- she truly exemplifies what NAWIC is all about~ involvement, dedication, education and mentoring.
