Leading and Building Our Future

HAPPY 57TH BIRTHDAY SILICON VALLEY CHAPTER 99

Our Chapter's 57th birthday celebration will be Wednesday April 27 at Daley's Drywall & Taping in Campbell. Donna has been busy planning a festive evening with games. Come and celebrate our birthday. We have had 16 new members and 2 previous members rejoin so far this year. We will also have installations for new members that have yet to be installed.

The nominating committee has started their campaign for the 2022-2023 NAWIC year. If you have not received a call from Misha, Marlene or April expect one soon. There are several openings for directors and officers. If you have any questions talk to any current or past directors/officers.

PNW Forum was April 7-9, 2022 in Boise, ID. Kayla, Shawna, Marlene, April and I attended. It was a fun and informative forum. There will be a recap at our April meeting and my report will be in May's newsletter. We won the region advertising contest for WIC week. The award was \$100 and the contest was to add #building leaders to all posts and reposts from our chapter. Awesome job ladies.

The mid-year audit will be on Monday April 25. The report will be given at this month's meeting.

National elections will be in May. Look for the email from National and make sure to vote when you receive the ballot.

We have three members receiving Longevity Pins this month. I would like to congratulate Marlene O'Donnell and Diane Urata-Lyons both for 45 years as NAWIC members and Pat McDonald for 30 years as a NAWIC member. Please come and celebrate their accomplishment along with Silicon Valley's 57th birthday.

2022 Annual Conference will be in Minneapolis MN August 17-20. Registration is now open.

I look forward to seeing you April 27th at 5:45 pm.

Sincerely

Laura Grabar

President 2021-2022
