

President's Letter

Happy Holidays! I hope everyone had a nice Thanksgiving.

At our November general membership meeting, Evan Harris gave a great introduction on retirement planning and saving. I hope you all enjoyed the presentation and came away with a better understanding of what you need to do today to enjoy your retirement. Evan has extended a free 45 minute consultation for the members of our chapter. If you are interested you can email evan@harrisprivatewealth.com or call 408-547-3392 and tell him you are a member of NAWIC Santa Clara Chapter 99.

Becky and Monica have planned an awesome holiday party for December. Please join us on December 9th at 6pm on Zoom. Make sure to RSVP as Becky needs to know who will attend as she will need volunteers for a couple of her activities.

I thought a great way to start the New Year would be with some spiritual mental health guidance. Our speaker for January is Rae Carmen a Master Certified Executive Life Coach. She will be speaking on the connection between Mind, Body, and Spirit. What better way to bring in the New Year than with a fresh outlook on our physical and spiritual health.

If you have not renewed your NAWIC membership yet, do so today. National has added a two payment option for renewal. Log in and renew today. The deadline for renewal is December 31, 2020. Shawna will be contacting those that have not renewed.

Scholarship applications are in the newsletter this month. If you know someone going into a construction related field please forward these applications of fill out for your own child. The deadline for applications is February 28.

If you have any input or suggestions for upcoming meetings, I would love to hear about them.

I look forward to seeing you December 9th at 6:00 PM.

Have a safe and healthy Merry Christmas and a Happy New Year.

Sincerely,
Laura Grabar
