Longevity Presentations

Judy has been a member for 40 years!! What a huge accomplishment, and we are so excited to celebrate with her tonight!

From the Day at the Races, Block Kids, being Social chair, Sunshine, and on so many other committees, she has been a mentor to many! Judy has been a dedicated board member many times, especially since her office was just around the corner and she wanted to make sure we had a good balance of ideas and suggestions. From our card weekends, poker night, and NAWIC, Judy is more like a second mom, so Thank you Judy for always being there, and for all your time and dedication you give to our chapter... Love you always. Shawna!

Judy was president when I was initiated and was really warm and friendly -- put me right at ease. She loves Monte Carlo night! She puts herself into Sunshine with beautiful greeting cards handmade and personal. Always a smile and a welcoming smile! Love, Pat McDonald

Judy has been a loyal hard working member. A pleasure to know her. - Rose Arnaudo

Judy, Judy (Yes Say twice) has always been an active, dedicated and loyal member. Lombardo has always been a supporter, as well! Sunshine truly reflects Judy's personality, so she has been the chapter's sunshine chair forever! We always enjoy her cards and seeing her at meetings. Not only is she my NAWIC sister, she is a personal and lovely friend in and outside of NAWIC. Congratulations Judy! -- Marlene O'Donnell

Shawna has been a member for 25 years!! What a huge accomplishment, and we are so excited to celebrate with her tonight

Our Miss Shawna is one that could be described as BLEEDING NAWIC RED!!! Attended the convention in Hawaii with her family in 1981 and has probably attended 15 to 20 since then!! She was a Member and birthed her 3 children while being ever so much involved in the chapter -- and later, in the region and beyond. Shawna served as Region 10 Director during the time when Membership categories were being changed and her great communication style helped in that transition!

Always a communicator, Shawna's newsletters and e-mails are cheery and fun to receive and read. She inspires people to try harder and to have an upbeat attitude! Hers is catching, to be sure!

NAWIC Santa Clara is inspired by Shawna and she enhances the success of our chapter and region.

Thank you Shawna for being such a great friend to so many of us! We are blessed to have you be a 25 year member! – Pat McDonald

Shawna started her first NAWIC Convention in 1981 in Hawaii at the early age of 7years old, she has been brought up a WIC and was very shy starting out, but blossomed into a extremely great leader, she has been a NEF trustee and two years ago voted National NAWIC of the year. Were all very proud of her accomplishments! – Marlene (Mom)

Because of her communication style and upbeat attitude, she is a pleasure to work with. This is one of the reason that she has been a parliamentarian many times amongst the many other committees and offices she has held. I know I can count on her to keep me on task and help so that I do not fail as President of NAWIC. She calms my nerves. Thank you Shawna for all you do for our chapter, region and nationally. We are very lucky to have such an inspirational woman as a friend. – Laura Grabar
