

Silicon Valley Chapter #99

January 2022

President's Letter

Leading and Building Our Future

Happy New year NAWIC Sisters. I hope everyone had a Happy Holiday Season and New Year. It was great to spend time with family this holiday season. I really missed being with family in 2020.

Becky planned a fun and festive night for our December meeting at Fiorillo's Restaurant. We had so much fun singing and ringing bells, making paper Christmas trees and playing guess what movie or character I am. It was great having members from the San Francisco Chapter join us and we had members that we had not seen since February 2020. It was a very festive night and everyone had a great time visiting. We collected jackets, hats and socks for One Warm Coat project.

Angie was able to find a venue for the Block Kids competition. She is waiting to see what dates are available from the The Boys and Girls Club. Once she gets the date she will need volunteers to judge the entries. If you would like to help please contact Angie Ramos.

Our first meeting of the New Year will be January 26 and will held at Daley's Drywall. Mitch Savoie Hill a Certified Professional Coach will be our speaker. Her topic is "How to Turn Roadblocks into Runways to success". What do you want to accomplish is 2022? Come learn how to clarify your personal vision, set a goal and work towards that goal. Mitch will also talk about how to shift when things do not goes as planned. After the speaker Shawna will show us how to create a vision board to help visualize you're goals for the year. It will be a fun and informative way to begin the New Year.

Shawna has a lead on an interesting speaker for February on EOS. What is that you ask… well come and join us and learn more about it and how it can help you. This will be on February 23 at Daley's Drywall. See next month's newsletter for more information.

Scholarship applications are due by February 28, 2022. If you know someone attending college in one of the construction fields or a trade school make sure they fill out an application. There are three scholarships available through our chapter. Since these scholarships are hosted by NFSF (National Founders' Scholarship Foundation), family members can apply for these scholarships. The applications are in the newsletter. If you have any questions contact Shawna Alvarado.

WIC Week will be March 6-12, 2022. Kara is working on some exciting events for WIC Week this year. Our March meeting will be Women in the Trades Panel focusing on Diversity and Inclusion.

I look forward to seeing you on January 26th at 5:45 pm.

Sincerely

Laura Grabar

President 2021-2022
