Resurrection Celebration K

April 12, 2020

the disciples must have felt like that Saturday in the shadow of the death of Jesus, not knowing what was next. They were afraid, hiding, anxious, their hopes and dreams were at a standstill, on hold, at worst ruined. But then, early on Sunday morning came the news that Jesus had risen from the dead!

This crisis has put our world in a tailspin, young, old, rich, poor, all races, all levels of society are humbled. The Body of Christ has lived through far worse crises than this and with hope and joy has been able to be a place of refuge for a weary world. They lived in the light of the hope of the resurrection. May that be said of us well...

He is risen! He is risen indeed!

There are ideas in the eBulletin about how to participate in the days.
