e-MENTOR

IN THIS TIME OF CRISIS, LET OUR YOUTH KNOW WE CARE.

Announcing the Charting Careers e-Mentoring platform that could change their life - and yours.

What makes Charting Careers unique?

- Curriculum-based program
- Safe, monitored platform
- Support and partnerships with families

Our mission is to break the cycle of poverty in Annapolis through mentoring, education and family support.

**** Male mentors / Spanish-speaking esp. needed! ****

MIDDLE SCHOOL AND HIGH SCHOOL STUDENTS

Our students have been working on personal development, soft skills, relationship skills and creating a Charting Careers community. We need your help to keep up the momentum through the summer!

NEW! ICOULDBE MENTOR PLATFORM

Career exploration, informational interviews, interview preparation, resume development, college research are all modules you will encourage explore with your mentee. (1-2 hrs./week commitment thru August, 2020 or beyond)

CHARTING CAREERS MENTOR NETWORK

Be available for interviews so students can learn about your job or business, college, sorority or other experiences. Or participate on a (virtual) career panel. Help network our youth to make connections they need for success!

New mentor training starting soon!
