As we look ahead to a new school year filled with possibilities, the Medfield Music Association is seeking funds to ensure that unique initiatives in 2019/2020 will continue to excite and motivate students to grow in music. Examples of how our teachers envision using MMA funding across the K-12 music program include:

STUDENT INSPIRATION (\$15,000)

- * Scholarships for lessons, camps, trips and/or college for our grade 6-12 music families
- * Continued visits by guest artists
- * Wheelock Arts Night and other General Music initiatives, including Marimba
- * Continued support of professional recordings and festival participation, such as Big Sing, N.E. Voices and others

TEACHER SUPPORT (\$10,000)

- * Specialized music coaches for ensembles
- * Accompanists for Choral performances

INSTRUMENT/EQUIPMENT NEEDS (\$3,000)

- * String lease program for in-school cellos

You can support meaningful music initiatives for students by filling out the form below and mailing it with your check to our P.O. Box or bringing it to the September 17 Kick-Off at the Zullo Gallery.

Becoming an MMA patron by October 1 allows us to more easily grant department wishes for the new school year, maximize the benefits of a music education for our students, and also formally thank you for your donation in the winter concert program. Thank you for your support!
