

Meet Alex Bradley

Director at Large

2020 - 2023

My favorite vacation spot is *anywhere that involves good friends or family!*

I grew up in: *Brookings South Dakota*

My favorite movie is *Oceans 11*
(the editor enjoys the scenery of that movie, as well)

My favorite cliché is *the meaning of Fine:*

- *Freaked out*
- *Insecure*
- *Neurotic*
- *Emotional*

My favorite ice cream flavor is *Cookies N' Cream*. *(Created in Brookings SD at South Dakota State University)*

The farthest place I've ever been to is *France*. *Still looking to travel farther!*

The "Craziest" thing I've ever done is... *Spontaneously drove to Chicago when I was 20, bought a ticket to a Blackhawks game off of Craig's lists. Oh and the ticket was \$100 for a penthouse suite. The Blackhawks were playing the Atlanta Thrashers. (ahhh, to be young and impetuous!)*
