

Meet Chris Clark, MAS Director At Large 2021-2023

My favorite vacation spot is *Amelia Island, Florida*

I grew up in: *Central Georgia (well, THAT'S specific)*

My favorite movie is
*National Lampoon's Christmas
Vacation*

My favorite cliché is currently *"Who just joined the call?"* (not, "you're on mute?")

My favorite ice cream flavor is *Vanilla*, because it's the perfect base to add any other flavors or toppings (...sprinkles...)

The farthest place I've ever been to is *South Korea*

The "Craziest" thing I've ever done is... *I once flew halfway across the country to have lunch then flew back in time to be home for dinner (that's not the craziest, but it's the craziest I'd tell in public!)*
