SDRM Christmas Wishlists Project

Dear Holy Spirit Anglican Church Family:

As we continue to deepen our relationship with the San Diego Rescue Mission (SDRM) and to reflect the love of Jesus, we will be partnering with them to provide Christmas gifts to 50 of their families (in many cases this is one adult/parent and one child/teen).

SDRM has done the hard part: identifying the families and what each person would like for Christmas. We get to do the fun part: shop!

Since we don't all have the same financial resources, there are multiple ways to bless these families. You could choose to "adopt" one or more SDRM families:

- as an individual or as a family, or
- as a small group/discipleship group, or
- with other people of your choosing- maybe as an outreach to / with your friends, neighbors, and/or non-HSAC family? (People love an opportunity to help give back this time of year!)

Or, if you don't think you're in a position to make that kind of financial commitment, we have other opportunities, such as donating a roll of Christmas wrapping paper (it can even be from your existing stash), or a roll or two of Scotch tape.

But even if you have no **financial** resources, you can still offer your time and yourself to write a note of love and encouragement to a family, help wrap the gifts, and pray for the families.

In the narthex, starting November 1st and continuing through November 29th, we will have a board with tags containing the names of the families and their Christmas wish lists. Lauren Davenport will be there before and after the service with a sign-up sheet, empty bags to take home for the gifts, and to answer any questions you might have.

If you do decide to "adopt" a family and/or donate wrapping supplies, please bring the item(s) with you to church **on Sunday 12.06.26,** when we will ALL (young and old!) wrap the gifts and pray over them in the Fellowship Hall following the service.

If you have any questions about the gifts, wrapping, or logistics, please reach out to Lauren Davenport.

If you have a large vehicle and would be willing to help transport the gifts to the Rescue Mission, please reach out to Emma Zeek.

Thank you for your generosity + support!
The SDRM Liaison Team
