

These are the November events occurring in the children's department in November. For more information about Samuels Library and its programming and services please visit www.samuelslibrary.net or by calling (540) 635-3153.

Tuesday, November 2nd –

4:30 Science Scouts. Come in on Tuesday afternoons for a time to explore the mysteries of the world through science! In this weekly program, we will investigate a different STEM-related topic each week. During this week's club, we will learn about the beauty and importance of leaves! For ages 6-11. Registration required.

Wednesday, November 3rd –

10:15 Toddler Story Time. Bring your toddler to a potpourri of simple stories, fun songs, and a cute craft! Our Dog Friends will be the theme of our stories, songs and finger plays this week. Each child will receive a take-home craft kit. For children up to 3 1/2 years of age.

11:00 Preschool Story Time. Come in with your preschooler, aged 3 1/2 to five, for an enjoyable hour filled with amazing tales, exciting sing-alongs, finger plays, and a nifty craft! Our Dog Friends will be the theme of our stories, songs and finger plays this week. Each child will receive a take-home craft kit.

Tuesday, November 9th –

4:30 Science Scouts. Come in on Tuesday afternoons for a time to explore the mysteries of the world through science! In this weekly program, we will investigate a different STEM-related topic each week. During this week's club, we will explore the different parts of plants. Which parts do you eat? For ages 6-11. Registration required.

Tuesday, November 9th–

7:00 Virtual Goodnight Sweetheart Storytime. Join Miss Pattie for our special storytime in your jammies. Bring your favorite buddy and get cozy!

Wednesday, November 10th –

10:15 Toddler Story Time. Bring your toddler to a potpourri of simple stories, fun songs, and a cute craft! Let's Explore will be the theme of our stories, songs, and craft! For children up to 3 1/2 years of age.

11:00 Preschool Story Time. Come in with your preschooler, aged 3 1/2 to five, for an enjoyable hour filled with amazing tales, exciting sing-alongs, finger plays, and a nifty craft! Let's Explore will be the theme of our stories, songs, and craft.

Saturday, November 13th –

2:00 Fairies in the Garden: Do you believe in fairies? Join us as we create a Fall Fairy garden to take home! For ages 6-12. Registration required.

Tuesday, November 16th –

4:30 Science Scouts. Come in on Tuesday afternoons for a time to explore the mysteries of the world through science! In this weekly program, we will investigate a different STEM-related topic each week. This week we will learn about the wonders of DNA. We will then create a DNA model that you may bring home and eat! For ages 6-11. Registration required.

Wednesday, November 17th –

10:15 Toddler Story Time. Bring your toddler to a potpourri of simple stories, fun songs, and a cute craft! Aesop's Fables will be the theme of our stories, songs, and craft! For children up to 3 1/2 years of age.

11:00 Preschool Story Time. Come in with your preschooler, aged 3 1/2 to five, for an enjoyable hour filled with amazing tales, exciting sing-alongs, finger plays, and a nifty craft! Aesop's Fables will be the theme of our stories, songs, and craft.

Tuesday, November 23rd –

4:30 Science Scouts and Virtual Science Scouts. Join us in the library or virtually as we explore the mysteries of the world through science! In this weekly program, we will investigate a different STEM-related topic each week. This week Miss Pat will take a common potato and make it power a lightbulb! For ages 6-11. Registration required.

Wednesday, November 24th –

10:15 Toddler Story Time. Bring your toddler to a potpourri of simple stories, fun songs, and a cute craft! We are Thankful will be the theme of our stories, songs, and craft! For children up to 3 1/2 years of age.

11:00 Preschool Story Time. Come in with your preschooler, aged 3 1/2 to five, for an enjoyable hour filled with amazing tales, exciting sing-alongs, finger plays, and a nifty craft! We are Thankful will be the theme of our stories, songs, and craft.

Tuesday, November 30th—

4:30 Science Scouts and Virtual Science Scouts. Join us in the library or virtually as we explore the mysteries of the world through science! In this weekly program, we will investigate a different STEM-related topic each week. Join Miss Pat as we learn about simple machines. The machine we will build today is a snack machine! For ages 6-11. Registration required.
