Toddler

Toddlers will have the chance to work in the Montessori environment, learning the routines of the classroom, meeting new friends, exploring nature, and enjoying the great outdoors.

Primary

Children ages 3 - 6 years old will learn and play with friends, using all of their senses in a joyful learning environment. Arts and crafts will have a special focus at camp, along with lots of time spent outdoors.

Elementary Camp

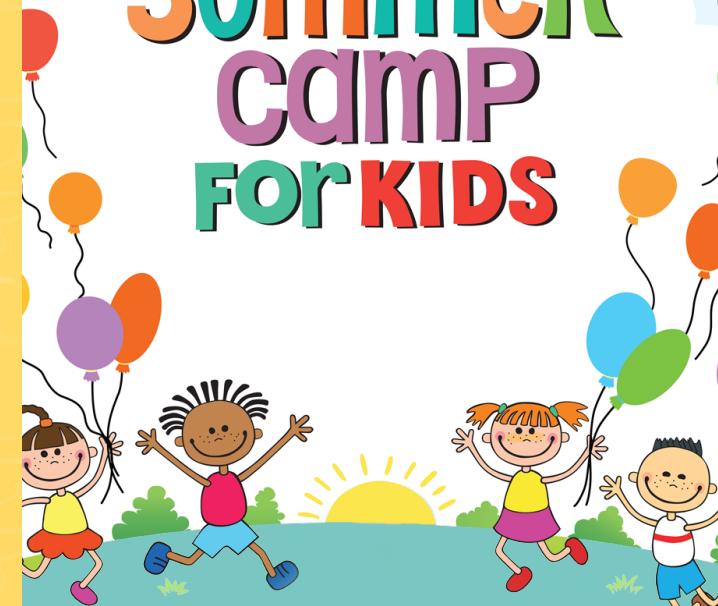

The MLMS Summer Camp has activities and lessons based on weekly themes. Through scientific discoveries and cultural explorations, your child will have a hands-on approach to learning. Swimming, hiking, and field trips will be included every week!

**Toddler,
Primary,
and
Elementary**

2022

summer camp for KIDS

Welcome to Summer Camp!

Let's get ready for a summer of fun! To complete the enrollment process, please fill out the information on the side panel of this brochure, tear off and return to MLMS along with the non-refundable deposit of \$100 per child attending. After the reservation form and deposit have been processed, you will receive registration paperwork that must be completed to attend camp. All forms must be completed, signed, and returned before the start of your child's summer session.

June 13-17

Under the Sea

Campers will dive deep into the ocean to explore hydrology, as well as the diverse world of plants and animals under the sea.

June 20-24

Botany

Young botanists can dig deep into the soil, plant seeds and learn about fruits, flowers, and vegetables that they can grow at home.

June 27-July 1

Music and Movement

It's time to make some music! Children can play and make instruments, as well as learn new songs and dances from around the world.

July 5-8

Celebrating the USA

Three cheers for the red, white and blue! This week we will celebrate our great nation with history, songs, and crafts.

July 11-15

STEM

Campers will explore science, technology, engineering, and math with a special focus on building and experiments.

July 18-22

The Australian Outback

Travel to the land down under to learn about flora and fauna that are truly amazing.

July 25-29

Arts and Architecture

From cave drawings to painted portraits to modern sculptures, children will have the chance to dabble in art techniques, both ancient and contemporary.

August 1-5

On the Farm

Campers will harvest the crops and tend to the farm animals this week as they venture to the farm in their classroom.

August 8-12

Astronomy

Aviators and astrophysicists will launch themselves into space to study the stars, skies, planets, and galaxies.
