Toddler & Primary Camp

Children ages 16 months–6 years learn and play with friends, using all of their senses in a joyful learning environment. Language, math, geography, and science all come to life through materials designed to entice and delight. Arts and crafts will have a special focus at camp, along with lots of time spent outdoors. Your child will have the chance to grow socially, academically, and spiritually this summer!

Elementary Camp

The MLMS Elementary Summer Camp has activities and lessons based on weekly themes. Through scientific discoveries and cultural explorations, your child will have a hands-on approach to learning. If COVID regulations permit, we will take the children swimming, hiking, and on field trips in the area.

2021 Summer Camp For Kids

Toddler, Primary and Elementary

Welcome to Summer Camp!

Let's get ready for a summer of fun! To complete the enrollment process, please fill out the information on the side panel of this brochure, tear off and return to MLMS along with the non-refundable deposit of \$100 per child attending. After the reservation form and deposit have been processed, your registration packet will be sent. All forms must be completed, signed, and returned before the start of your child's summer session.

June 14 - 18 Arts and Architecture

From cave drawings to painted portraits to modern sculptures, children will have the chance to dabble in art techniques both ancient and contemporary.

June 21 - 25 Around the World

Grab your passports to take an adventure, as we study culture, cuisine, and traditions from around the world.

June 28 - July 2 Young Environmentalists

How can you help the planet? Children will learn about our Earth, climate and recycling.

July 5 - July 9 Let's Go Camping!

Campers will get to camp out in the classroom. We will investigate Virginia's flora and fauna, as well as learn some survival skills.

July 12 - July 16 Health and Nutrition

Let's get moving! Children will play sports of all sorts, talk about physical and mental health, practice mindfulness and yoga, and even dive into nutrition to keep our bodies healthy.

July 19 - July 23 In My Garden

Young botanists can dig deep into the soil, plant seeds, and learn about fruits, flowers, and vegetables that they can grow at home.

July 26 - July 30 Music and Drama

It's time to make some music! Children can play and make instruments, as well as learn new songs and dances. We will use acting and role-play to examine our emotions.

Aug 2 - Aug 6 Exploring the Rainforest

Swing through the canopy of the rainforest to explore ecosystems, food chains, and the water cycle.

Aug 9 - Aug 13 Beach Week

Campers can play in the sand, dive into the ocean, erupt volcanoes and relax under swaying palm trees while learning about animals and their habitats from beaches all over the globe.
