

## Licensees Who are 65 or Older and Have Been Licensed in Nevada for 30 Years or More

Nevada Salesperson, Broker-Salesperson, or Broker Real Estate License Renewal Requirements (Subsequent Renewal)

*Licensees who are 65 years or older and have been licensed in Nevada in good standing for 30 years or more may apply for an exemption to complete a reduced number of CE credits required for renewal. Contact NRED for more information.*

**NOTICE: It is your responsibility to verify all CE requirements prior to renewal with NRED**

| NRED Required & General CE | Date | Live Hours | Internet Hours | Course # | School/Sponsor Name | Notes |
|----------------------------|------|------------|----------------|----------|---------------------|-------|
| Agency: 3 Hours            |      |            |                |          |                     |       |
|                            |      |            |                |          |                     |       |
| Contracts: 3 Hours         |      |            |                |          |                     |       |
|                            |      |            |                |          |                     |       |
| Ethics: 3 Hours            |      |            |                |          |                     |       |
|                            |      |            |                |          |                     |       |
| Law & Legislation: 3 Hours |      |            |                |          |                     |       |
|                            |      |            |                |          |                     |       |

*Additional CE if Required (Additional permit credits obtained can be used in place of general credits, see the following FAQ)*
