“The longevity of the staff and their professionalism makes this the best place for therapy.”

– Sergio De Araujo

OUR VISION:

To transform the lives of patients by providing quality occupational, physical and speech therapy services.

OUR MISSION:

Dedicated to improve people's physical function, communication and independence.

A HISTORY OF SERVING:

The Rehabilitation Center for Children and Adults (RCCA) began as the Crippled Children's Society in 1940. We were established by Margaret Pope Hovey to provide physical rehabilitation to those with Polio in our community. To meet the changing needs of the community, our preschool opened in 1960 to offer children with special needs a comprehensive learning and therapeutic program. An aquatic therapy program was added in 1966 to provide exercise in warm water to enhance our core services of occupational and physical therapy as well as speech and language pathology.

The Professional Endowment Committee (PEC) introduces the Rehabilitation Center for Children and Adults' mission and needs to our financial neighbors. Members represent key financial institutions in the Palm Beach area. Current and future planned gifts help uninsured or underinsured local families receive much-needed individualized and customized therapy services. At the quarterly committee meetings, members review the latest relevant estate tax information.

The PEC also helps increase our neighbors' awareness of our needs and services. These professionals represent expertise our donors can call upon, as they know both the importance of endowments to our mission and the value of estate planning for the donor's family. We believe the work of this committee will help insure the financial security of the Center now and in the future. If you know of someone who might be interested in more information, please call the RCCA at 655-7266 or contact one of the committee members pictured here. The RCCA is grateful these women and men choose to donate their professional and personal time helping children and adults with physical disabilities.

The Rehabilitation Center for Children and Adults is a current and valid 501(c)(3) non-profit organization in accordance with the standards and regulations of the Internal Revenue Service (IRS). EIN # 59-0791037

Your Generosity Matters:
We are honored to continue our 4-star rating from Charity Navigator. This honor demonstrates solid accountability and sound financial health.

Be remembered forever by RCCA with a gift in your will, trust, retirement plan or life insurance policy.

HOW TO DONATE

Your tax-deductible donation can make therapy available to a local family regardless of their ability to pay.
