Something is missing from each picture. Try to draw in the part that is missing.

## Jesus Is Missing based on Mark 16:1-8

Jesus was killed by the Romans. On Friday, Joseph of Arimathea had buried Jesus' body in a tomb he owned. The holy day of rest began that evening, so his friends couldn't prepare Jesus' body to be buried.

Now it was early on the day after the Sabbath. Yet Mary Magdalene, Mary the mother of James, and Salome bought spices and started for the tomb where Jesus was buried.

As they walked, they talked. "Who will roll the stone away from the tomb for us?"

But when they were close enough to see the tomb, they could see that the stone, the heavy stone that covered the doorway, was already rolled away.

They cautiously walked into the tomb. A young man in a white robe was sitting to their right. They jumped and gasped!

"Don't be afraid," said the young man. "You are looking for Jesus of Nazareth, who was buried here on Friday. He isn't here. See, here's where he was laid. He has been raised from death. Go to his disciples. Tell them that Jesus is going ahead of you to Galilee. You will see him there, just as he said."

Still afraid and uncertain what to do, the women hurried away from the tomb. But they didn't tell anyone what they had seen and heard.
