

# COVID-19 Briefing and Q&A Session

April 16, 2020

# The Incident Command System

---

**Incident Command System:** A nation-wide standardized approach to organizing emergency response from the federal level all the way down to local city governments

Provides for a unified command to ensure communication, a clear chain of authority, and accountability

# Emergency Support Functions

---

There are 18 Emergency Support Functions that work under unified command that support this operation. Today's speakers are:

- ▶ Director of Public Health **Demetrius Cianci-Chapman**, representing the St. Charles County Incident Command; and
- ▶ Director of Community Development **Mike Hurlbert**, who is leading the County's long-term recovery from this current emergency

# Incident Command Functions

---

- ▶ ESF-14: Emergency Support Function #14 – **Long-Term Community Recovery**
- ▶ Part of the County's Incident Command protocol
- ▶ Working with Local, State and Federal officials to gauge impacts and provide all related information specific to business recovery
