

The Office of U.S. Senator Claire McCaskill

presents the

2018 Small Business Summit

Learn more about how Missouri's small businesses can benefit from the federal government's major \$1.75 billion investment in the St. Louis area with the Next NGA West Project, and attend seminars that will expand your knowledge of the federal government's procurement process and available tools that may help grow your business.

Friday, September 28, 2018

9:00 a.m. – 1:00 p.m.

**Doors open and check-in begins at 8:00 a.m.*

YMCA – O'Fallon Park Rec Complex

4343 West Florissant Avenue, St. Louis, MO 63115

This summit is a half-day event focused on helping Missouri's small businesses learn helpful information and best practices regarding federal procurement opportunities, including those related to the Next NGA West Project, as well as access valuable tools designed to increase knowledge about customer and community trends.

Government agencies and local organizations will be present to discuss current funding opportunities and application processes. Interested businesses may listen to panel discussions, visit informational booths, and attend breakout sessions covering a variety of topics, including: the Next NGA West Project, how to do business with the federal government, and how to access information about your customer base.

Space is limited. To register, please visit:
