

Architectural Committee Application Form

The SunCrest Owners Association is now accepting applications from individuals interested in serving on the Architectural Committee. The Committee will be made up of three homeowners and one Trustee, who will make decisions on Architectural applications that have been vetted by the Community Manager and are in need of extra review. The Architectural Committee will be advised by the Community Manager and ultimately report to the Board of Trustees. The qualifications are:

- Must be an owner of residential property within SunCrest.
- Must have an interest in serving the community where you live.
- A commitment to upholding the Design Guidelines, which are aesthetics only, for SunCrest Owners Association and Edelweiss.
- An ability to listen and make informed decisions in the community’s best interest.
- A commitment to prompt email communication with the Community Manager and owners if necessary.
- Estimated time commitment of 3 hours per month; additional time may be required for specific issues.
- Applicants must be current on dues and have no violations.
- All applications reviewed by the Committee will be submitted with a recommendation to the Board of Trustees to be approved or denied at the next Board Meeting.

If you are interested in serving on the Architectural Committee, please submit the following information, including a short biography. The Community Manager will review all applications and then submit them to the Board of Trustees for approval and appointment.
