

SAVE THE DATES:

As you are aware, we are trying to build our school community in many ways. We are working internally on our school climate and we have reached out to the parents in an attempt to build our parent volunteer base. We are blessed with several parents who are willing to take on this role!

Following our very successful Catholic Academy of Bridgeport Breakfast, we have been sharing ideas and would like you all to please MARK YOUR CALENDARS and plan on attending our upcoming events. This is St. Augustine Academy, your child's school. We really want everyone's support and participation!

PLEASE SAVE THESE DATES and plan on joining us. More details will come in time.
