About Pathlight HOME

For more than 30 years, Pathlight HOME has helped individuals and families experiencing homelessness rebuild their lives through housing, supportive services, and career training. As Central Florida's first and largest provider of permanent supportive housing, we have helped more than 8,000 people find stability, independence, and hope.

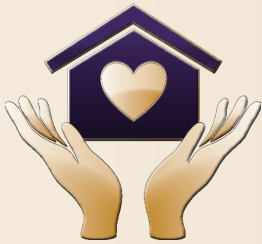

WHY YOUR SPONSORSHIP MATTERS

Homelessness is more than the absence of housing -- it's the loss of stability, opportunity, and hope. Your partnership helps make change possible.
