

75
YEARS

Celebrating

At work, it's what people CAN do that matters.

That's why we celebrate for another year National Disability Employment Awareness Month (NDEAM). This year marks not only the 75th observance of NDEAM but also the 30th anniversary of the Americans with Disabilities Act (ADA). Both milestones are being commemorated with a range of events and activities centered on the theme "Increasing Access and Opportunity." Workforce Solutions recognizes the purpose of NDEAM is to educate about disability employment issues and celebrate the many and varied contributions of America's workers with disabilities.

Reflecting this year's theme, throughout the month, Workforce Solutions will be engaging in a variety of activities to educate its staff and partners on disability employment issues and its commitment to inclusive work culture.

You will receive an email with a Disability Awareness Daily Calendar Trivia Game featuring interesting disability-related facts. At the end of the month, we will gather virtually via Microsoft Teams for a competition to determine which office will receive the prestigious "NDEAM Award."

Workforce Solutions is an equal opportunity employer/program. Auxiliary aids and services are available upon request to individuals with disabilities.
