

Gary M. Rothenberg, DPM, CDCES, CWS
Adjunct Clinical Associate Professor
Department of Internal Medicine, Division of Metabolism,
Endocrinology and Diabetes
The University of Michigan Medical School
Domino's Farms, 24 Frank Lloyd Wright Dr., Lobby C, Suite 1300
Ann Arbor, MI 48106-0451
734-647-5400 - gmrldpm@umich.edu
Director, Medical Affairs
Podimetrics
100 Dover Street
Somerville, MA 02144
954-560-2454 – gary@podimetrics.com

Education and Training

Education

09/1988-05/1992	BS, Biology, University of Maryland, College Park, MD
08/1993-05/1997	DPM, Podiatry & Podiatric Medicine, Ohio College of Podiatric Medicine at Kent State University, Independence, OH

Postdoctoral Training

07/1997-06/1998	Residency, Primary Podiatric Medical Residency, The University of Texas Health Science Center at San Antonio, San Antonio, TX
07/1998-06/2000	Residency, Podiatric Surgical Residency, The University of Texas Medical School at San Antonio, San Antonio, TX

Certification And Licensure

Certification

05/1999-04/2026	National Certification Board for Diabetes Educators
10/2002-12/2022	American Board of Wound Management
06/2003-12/2024	American Board of Podiatric Medicine
08/2004-08/2024	American Board of Podiatric Surgery

Licensure

08/2019	Georgia, Medical License
03/2016-Present	Michigan, Medical License
03/2016-Present	Michigan, Controlled Substance
03/2021-Present	DEA Registration

Work Experience

Academic Appointment

06/2004-06/2015	Auxiliary Clinical Faculty, Rosalind Franklin University of Medicine and Science, North Chicago, IL
07/2004-06/2015	Adjunct Clinical Assistant Professor Podiatric Medicine, Des Moines University, Des Moines, IA

07/2005-06/2015	Adjunct Clinical Assistant Professor, Temple University School of Podiatric Medicine, Philadelphia, PA
07/2007-06/2015	Adjunct Clinical Faculty, Barry University School of Podiatric Medicine, Miami Shores, FL
06/2010-06/2015	Adjunct Clinical Faculty, Kent State University School of Podiatric Medicine, Independence, OH
06/2011-06/2015	Adjunct Clinical Assistant Professor, New York College of Podiatric Medicine, New York, NY
08/2011-06/2015	Adjunct Clinical Assistant Professor of Podiatric Medicine and Surgery, Western University of Health Sciences/College of Podiatric Medicine, Pomona, CA
09/2015-08/2021	Clinical Assistant Professor, Internal Medicine, Division of Metabolism, Endocrinology, and Diabetes, University of Michigan, Ann Arbor, MI
07/2022-10/2022	Clinical Associate Professor, Internal Medicine, Division of Metabolism, Endocrinology, and Diabetes, University of Michigan, Ann Arbor, MI
10/2022-Present	Adjunct Clinical Associate Professor, Internal Medicine, Division of Metabolism, Endocrinology and Diabetes, University of Michigan, Ann Arbor, MI

Administrative Appointment

08/2004-08/2015	Director of Resident Training, Responsibilities include daily administration and oversight of CPME approved Podiatric Medicine and Surgery Residency program for 6 residents. Responsible for all aspects of education, administration, schedule organization, competency assessment and remediation as necessary., Miami VA Healthcare System, Miami, FL
08/2004-08/2015	Externship Coordinator, Miami VA Healthcare System, Miami, FL
05/2009-08/2015	Clinical Care Coordinator, Responsibilities include organization and education for 6 month core rotations - inclusive of serving as a liaison for students, colleagues and the administration at the podiatric medical school., Podiatry, Barry University, Miami Shores, FL
05/2009-08/2015	Clinical Core Coordinator, Responsibilities include organization and education for 10 month core rotations - inclusive of serving as a liaison for students, colleagues and the administration at the podiatric medical school., Podiatry, Western University, Pomona, CA
07/2021-02/2023	Fellowship Associate Program Director, Podiatry Research Fellowship in Limb Preservation, Wound Care, and Diabetes Related Lower Extremity Complications, University of Michigan, Ann Arbor, MI
02/2023-Present	Fellowship Program Director, Podiatry Research Fellowship in Limb Preservation, Wound Care, and Diabetes Related Lower Extremity Complications, Internal Medicine, Division of Metabolism, Endocrinology and Diabetes, University of Michigan, Ann Arbor, MI

Clinical Appointments

08/2004-07/2015	Staff Podiatrist, Miami VA Healthcare System, Miami, FL
-----------------	---

Private Practice

10/2000-02/2001	Staff Physician, specializing in general podiatric care, Herbert E. Kosmahl, DPM, PC, Calhoun, GA
03/2001-07/2004	Staff Physician, emphasis on diabetic foot care, wounds, and podiatric surgery, Foot and Leg Healthcare Specialists, Austell, GA

Industry

10/2022-Present	Director of Medical Affairs, Podimetrics, Inc., Summerville, MA
-----------------	---

Consulting

10/2000-02/2001	Physician, Hospital privileges for inpatient consults and surgery, Gordon Hospital, Calhoun, GA
03/2001-07/2004	Physician, Hospital privileges for inpatient consults and surgery, WellStar Hospital System, Austell, GA
01/2011-07/2015	Advisory Board, Smith & Nephew, Ft. Worth, TX
02/2012-07/2015	Advisory Board, Celleration, Eden Prairie, MN
03/2012-07/2015	Advisory Board, Spiracur, Sunnyvale, CA
07/2012-07/2015	Advisory Board, Organogenesis, Canton, MA
02/2015-02/2016	Advisory Board, Osnovative, Santa Clara, CA
05/2017-10/2022	Consultant Medical Director, Podimetrics, Inc., Sommerville, MA

Gaps

07/2000-09/2000	moving
-----------------	--------

Research Interests

- Prevention of lower extremity complications among those living with diabetes. These are inclusive of wound healing, limb salvage and psycho-social aspects of care.

Clinical Track Scholarly Contribution

Clinician-Individualized

I have chosen the clinician-individualized pathway as I have been fortunate to have a productive career that I believe, spans more than one designated area. My CV reflects scholarly activity, teaching, lecturing at the national and state levels, industry consulting, and community leadership. I hope the committee finds contributions and achievements in more than one specialized area.

Grants

Past Grants

Benefit of Near Infrared Spectroscopy Imaging in Chronic Wound Healing in Patients Undergoing Hyperbaric Oxygen Therapy:

PI

Kent Imaging Inc.

10/2018 - 03/2021

\$10,000

A Multicenter, Randomized, Single-Blind Study Comparing the Clinical Outcomes of TruSkin and TheraSkin for the Treatment of Chronic Venous Leg Ulcers:

PI

Osiris Therapeutics, Inc.

08/2016 - 06/2017

\$54,615

Honors and Awards

National

1993 - 1996	Half Tuition/Merit Scholarship, Ohio College of Podiatric Medicine
1998	Gold Medal, Presentation, National Podiatric Resident's Conference

Institutional

1998 - 1999	House Staff of the Year, Nominee, University Hospital
1999 - 2000	Chief Resident, University of Texas Health Science Center

Departmental

2022	Chair's Award for Impact, University of Michigan, Internal Medicine
------	---

Study Sections, Editorial Boards, Journal & Abstract Review

Editorial Boards / Journal & Abstract Reviews

Editorial Boards

2009 - present	Editorial Board, Ostomy and Wound Management
2016	Guest Editor, Foot and Ankle Quarterly
2018 - present	Consulting Editor, A Step Ahead, LLC
2018 - present	Editorial Board, Journal of Foot and Ankle Surgery

Journal Review

2018	Clinical Case Reports
2019	Journal of Diabetes and its Complications

Abstract Review

2022	American Diabetes Association's 82nd Scientific Sessions
------	--

Teaching

Mentorship

Resident

05-2018-05-2018	Ahmed Mansoor, Brooklyn Hospital Center, PGY2, fellowship program selection mentorship, clinical skill improvement and medical knowledge
09-2018-09-2018	Rene Juridico, Baltimore VA/Sinai Hospital, PGY-1, fellowship program selection mentorship, clinical skill improvement and medical knowledge
10-2018-10-2018	Mary Hickner, Swedish Covenant Hospital, PGY2, fellowship program selection mentorship, clinical skill improvement and medical knowledge
07-2022-07-2022	Mutiya Olorunfemi, University of Michigan, Family Medicine Resident, PGY1, Internal Medicine, Division of Metabolism, Endocrinology and Diabetes, medical knowledge

Faculty Member

03-2023-03-2023	Elizabeth Conway, Nurse Practitioner, University of Michigan, Internal Medicine, Division of Geriatrics, medical knowledge
-----------------	--

Clinical Fellow

09-2016-08-2018	Sari Priesand, University of Michigan, Internal Medicine, Division of Metabolism, Endocrinology and Diabetes, clinical skill improvement, medical knowledge, professional development
07-2017-06-2019	Garneisha Torrence, University of Michigan, Internal Medicine, Division of Metabolism, Endocrinology and Diabetes, clinical skill improvement, medical knowledge, professional development
07-2018-06-2020	Christine Jarocki, University of Michigan, Internal Medicine, Division of Metabolism, Endocrinology and Diabetes, clinical skill improvement, medical knowledge, professional development
07-2019-06-2021	Rebecca Burmeister, University of Michigan, Internal Medicine, Division of Metabolism, Endocrinology and Diabetes, clinical skill improvement, medical knowledge, professional development, research mentoring, multiple publications

07-2020-06-2022	Tyson Strom, University of Michigan, Internal Medicine, Division of Metabolism, Endocrinology and Diabetes, clinical skill improvement, medical knowledge, professional development
03-2021-03-2021	Kathleen Estrada, University of Michigan, Endocrinology Fellow, PGY4, Internal Medicine, Division of Metabolism, Endocrinology and Diabetes, medical knowledge
04-2021-04-2021	Jordan Bushman, University of Michigan, Endocrinology Fellow, PGY4, Internal Medicine, Division of Metabolism, Endocrinology and Diabetes, medical knowledge
06-2021-06-2021	Leedor Lieberman, University of Michigan, Endocrinology Fellow, PGY4, Internal Medicine, Division of Metabolism, Endocrinology and Diabetes, medical knowledge
07-2021-06-2023	Brennen O'Dell, University of Michigan Medical School, clinical skill improvement, medical knowledge, professional development, research mentoring, multiple publications
05-2022-05-2022	Hiba Odeid, University of Michigan, Endocrinology Fellow, PGY4, Internal Medicine, Division of Metabolism, Endocrinology and Diabetes, medical knowledge
07-2022-06-2024	Kanika Kochhar, University of Michigan, Internal Medicine, Division of Metabolism, Endocrinology and Diabetes, clinical skill improvement, medical knowledge, professional development

Medical Student

02-2018-02-2018	Rahul Mishra, University of Michigan - pre-podiatry school student, clinical skill improvement and medical knowledge
-----------------	--

Undergraduate Student

03-2018-03-2018	Masa Seif, Eastern Michigan University - pre-podiatry school student, exploration of podiatry school requirements, medical knowledge
06-2018-01-2019	Lekha Mutyala, University of Michigan - pre-podiatry school student, exploration of podiatry school requirements, medical knowledge
01-2019-01-2019	Danish Khan, Wayne State University - pre-podiatry school student, exploration of podiatry school requirements, matriculation to podiatry school, medical knowledge
05-2019-05-2019	Elena Romund, University of Michigan - pre-podiatry school student, exploration of podiatry school requirements, medical knowledge

Teaching Activity

National

01-2018-Present	DPM Mentors Network Shadowing Program, American Association of Colleges of Podiatric Medicine, mentor
-----------------	---

Institutional

03-2001-07-2004	Attending Podiatrist - active in surgical training and hospital based patient care., Foot and Leg Healthcare Specialists, Ambulatory Foot and Leg Surgery Center Residency Program, mentor
03-2005-03-2005	"The Diabetic Foot", VAMC, Internal Medicine, speaker
11-2015-11-2015	"Knock Your Socks Off: Diabetic Foot Examination", University of Michigan, Diabetes Health Fair, speaker
01-2016-Present	Health Sciences Student Scholars Shadowing Program, University of Michigan, mentor
04-2016-04-2016	"The Podiatry Top Ten Pathologies for the Internist", University of Michigan, Medicine Grand Rounds, speaker
04-2016-04-2016	"Advancing the Standard of Care in Management of the Diabetic Foot", University

of Michigan, Internal Medicine Grand Rounds, speaker

09-2017-09-2017	"Feasibility and Efficacy of a Smart Mat Technology to Predict Development of Diabetic Plantar Ulcers", University of Michigan, Internal Medicine, Division of Metabolism, Endocrinology and Diabetes MEND Faculty Retreat, speaker
10-2017-10-2017	"Patient Adaptation: Diabetic Neuropathy and Foot Ulceration", University of Michigan, Internal Medicine, Division of Metabolism, Endocrinology and Diabetes, Podiatry Education Series, speaker
11-2017-11-2017	"Wound Management: Tissue Oxygenation and Vascular Function and the Impact of Near Infrared (NIR) Spectroscopy", University of Michigan, Internal Medicine, Division of Metabolism, Endocrinology and Diabetes, Podiatry Education Series, speaker
10-2018-10-2018	"Diabetic Foot: Burden and Magnitude of the Problem", University of Michigan, Internal Medicine, Division of Metabolism, Endocrinology and Diabetes, 1st Annual Diabetic Foot Conference: Multi-Management Approach for the Inpatient Setting,, speaker
12-2018-12-2018	"Collagen and Wound Healing", University of Michigan, Internal Medicine, Division of Metabolism, Endocrinology and Diabetes, Podiatry Education Series, speaker
04-2019-04-2019	"Podiatry and Primary Care Collaboration". Peer-to-peer education for providers, clinical staff and administration., University of Michigan, West Ann Arbor Parkland Plaza, speaker
11-2019-11-2019	"Who's Waiting?", University of Michigan, Internal Medicine, Division of Metabolism, Endocrinology and Diabetes, Podiatry Education Series, speaker
10-2020-10-2020	"A Multinational, Multicenter, Randomized, Double-Blinded, Placebo-Controlled Trial to Evaluate the Efficacy of Cyclical Topical Wound Oxygen (TWO2) Therapy in the Treatment of Chronic Diabetic Foot Ulcers: The TWO2 Study", University of Michigan, Internal Medicine, Division of Metabolism, Endocrinology and Diabetes, Podiatry Education Series, speaker
04-2021-04-2021	"Non-Weight Bearing Exercise for Patients with Ulcers", University of Michigan, Internal Medicine, Division of Metabolism, Endocrinology and Diabetes, Podiatry Education Series, speaker
02-2022-02-2022	"Improving Feedback Skills", University of Michigan, Internal Medicine, Division of Metabolism, Endocrinology and Diabetes, Podiatry Education Series, speaker
06-2022-06-2022	"Traumatic versus Diabetes-Related Foot Amputations: A Review of the Literature, A Case Study and Surprising Outcome", University of Michigan, Internal Medicine, Division of Metabolism, Endocrinology and Diabetes, Podiatry Education Series, speaker
07-2022-07-2022	"Diabetic Peripheral Neuropathy: A Review of Clinical Practice Guidelines and Discussion Focused on Topical Solutions", University of Michigan, Internal Medicine, Division of Metabolism, Endocrinology and Diabetes, Podiatry Education Series, speaker

Memberships in Professional Societies

1995 - 1997	Member, Kappa Tau Epsilon Professional Fraternity
2000 - Present	Member, American Podiatric Medical Association
2000 - Present	Member, American Diabetes Association
2000 - Present	Member, American Association of Diabetes Educators
2002 - Present	Member, American Academy of Wound Management
2003 - Present	Member, American Board of Podiatric Medicine
2004 - Present	Member, American Board of Podiatric Surgery
2018 - Present	Member, Michigan Podiatric Medical Association

Committee/Service

National

2008	Examination Committee, American Academy of Wound Management, Member
2010 - 2015	Podiatry Central Office, Field Advisory Council, Member
2013 - present	Examination Committee, American Board of Podiatric Medicine, Member
2016	Education Summit Planning Committee, Juvenile Diabetes Research Foundation, Member
2017 - 2021	Collaborative Residency Evaluator Committee, On-Site Residency Evaluator, Council on Podiatric Medical Education, Member
2019 - present	In-Training Exam Sub-Committee, American Board of Podiatric Medicine, Chair
2020 - 2021	Section Planning Committee, Foot Care / Lower Extremity Content, American Diabetes Association's Scientific Sessions, Member
2022 - present	Collaborative Residency Evaluator Committee, Council on Podiatric Medical Education, Chair
2022 - present	Finance Committee, American College of Podiatric Medicine, Member
2022 - present	Education Planning Committee, American College of Podiatric Medicine, Member

Regional

2007 - 2015	Education Committee, Greater Miami Association of Diabetes Educators, Member
2008 - 2015	IRB Committee, Miami VA, Member
2008 - 2015	Infection Control Committee, Miami VA, Member
2010 - 2015	Group, Greater Miami Association of Diabetes Educators, President
2017 - 2019	10th Annual TypeOneNation Summit, Planning Committee, JDRF, Member

Departmental

2016 - present	Podiatry Education Series Faculty Educational Planning Committee, University of Michigan, Department of Internal Medicine, Division of Metabolism, Endocrinology and Diabetes, Chair
2016 - 2018	Faculty Retreat Planning Committee, University of Michigan, Department of Internal Medicine, Division of Metabolism, Endocrinology and Diabetes, Member
2016 - 2021	Podiatry Fellowship Program Evaluation Committee (PEC), University of Michigan, Department of Internal Medicine, Division of Metabolism, Endocrinology and Diabetes, Member
2021 - present	Podiatry Fellowship Program Evaluation Committee (PEC), University of Michigan, Department of Internal Medicine, Division of Metabolism, Endocrinology and Diabetes, Chair
2021 - present	Podiatry Fellowship Clinical Competency Committee (CCC), University of Michigan, Department of Internal Medicine, Division of Metabolism, Endocrinology and Diabetes, Member
2021 - present	Podiatry Fellowship Program Didactic Committee, University of Michigan, Department of Internal Medicine, Division of Metabolism, Endocrinology and Diabetes, Chair

Institutional

2017 - 2018	Diabetes Health Fair Planning Committee, University of Michigan, Department of Internal Medicine, Division of Metabolism, Endocrinology and Diabetes, Member
2018 - present	The Diabetic Foot Conference Planning Committee, Diabetes Health Fair Planning Committee, Chair

Scholarly Activities

Presentations

Extramural Invited Presentation

Keynote

1. "Commemorate the Past, Celebrate the Present, Embrace the Future." Rite of Passage White Coat Ceremony, Barry University School of Podiatric Medicine, 04/2011, Miami, FL

Speaker

1. "Long Term Outcomes of Partial Ray Amputations in Patients with Diabetes Mellitus.", National Podiatric Resident's Conference, 06/1998, Chicago, IL
2. "Lisfranc Injuries.", Bandera Conference, 04/1999, Bandera, TX
3. "Amputation Outcomes.", Diabetic Foot Update, 12/1999, San Antonio, TX
4. "Psychosocial Aspects of Podiatric Medicine.", Bandera Conference, 04/2000, Bandera, TX
5. "Biomechanics and Prophylactic Diabetic Foot Surgery.", Wellstar Wound Care Symposium, 05/2002, Atlanta, GA
6. "Patient Non Compliance vs. Ambiguity of Expectation.", Diabetic Foot Update, 12/2002, San Antonio, TX
7. "Patient Non Compliance vs. Ambiguity of Expectation.", Wellstar Wound Care Symposium, 04/2003, Atlanta, GA
8. "Pressure Injuries of the Foot.", Wellstar Wound Care Symposium, 04/2004, Atlanta, GA
9. "Why Diabetic Wounds Don't Heal.", Mercy Hospital Podiatry Grand Rounds, 06/2005, Miami, FL
10. "The Diabetic Foot.", Designing Lifestyles with Diabetes Program at Nova Southeastern University, 02/2006, Ft. Lauderdale, FL
11. "Prophylactic Diabetic Foot Surgery.", Temple University School of Podiatric Medicine, 02/2007, Philadelphia, PA
12. "Prophylactic Diabetic Foot Surgery.", Mercy Hospital Podiatry Grand Rounds, 03/2007, Miami, FL
13. "Evaluation of the Diabetic Foot.", Cayman Islands Diabetes Support Group at Faith Hospital Visiting Specialist, 04/2007, Cayman Islands, British West Indies
14. "Diabetic Surgery - Limb Salvage.", Barry University CME Series, 11/2007, Miami Shores, FL
15. "Survival of Partial Ray Amputations.", Diabetic Foot Update 2007, 12/2007, San Antonio, TX
16. "Emerging Use of Topical Biologics in Limb Salvage: The Role of Activated Collagen in Multimodality Treatment.", New Cardiovascular Horizons, 09/2008, New Orleans, LA
17. "Diabetic Foot Infections: Diagnosis and Treatment.", Multidisciplinary Diabetic Foot Conference, 11/2008, Birmingham, AL
18. "The Role of Surgery in the Treatment of Ulcerations.", Multidisciplinary Diabetic Foot Conference, 11/2008, Birmingham, AL
19. "Prophylactic and Curative Surgery in the Diabetic Foot.", California College of Podiatric Medicine at Samuel Merritt University, 03/2009, Oakland, CA
20. "Emerging Uses of Topical Biologics in Limb Salvage: The Role of Activated Collagen in Multimodality Treatment.", VAMC San Francisco Podiatry Grand Rounds, 03/2009, San Francisco, CA
21. "Evaluation of the Diabetic Foot: Avoiding the Dreaded Complications.", Greater Miami Association of Diabetes Educators, 04/2009, Miami, FL
22. "The Role of Oxygen in Wound Healing.", Ohio Podiatric Medical Association, 06/2009, Columbus, OH
23. "Long Term Survival of Partial Ray Amputations.", New Cardiovascular Horizons, 07/2009, New Orleans, LA
24. "Emerging Use of Topical Biologics in Limb Salvage: The Multimodality Approach.", Superbones Conference, 01/2010, Nassau, Bahamas
25. "Seven Key Questions: Why Wounds Don't Heal.", California College of Podiatric Medicine at Samuel

Merritt University, 03/2010, Oakland, CA

26. "Techniques in Limb Salvage.", St. Mary's Hospital Grand Rounds Presentation, 03/2010, San Francisco, CA
27. "Diabetic Foot 201: Advanced Care.", Greater Miami Association of Diabetes Educators, 06/2010, Miami, FL
28. "The Role of Collagen in Wound Healing.", Save A Leg, Save A Life National Meeting, 09/2010, Orlando, FL
29. "Surgical Management of Ulcerations.", Save A Leg, Save A Life National Meeting, 09/2010, Orlando, FL
30. "Diabetic Foot Examination: Avoiding the Dreaded Complications.", American Diabetes Association, 03/2011, Hollywood, FL
31. "Seven Key Questions and Advancing the Standard of Care.", The Western, 04/2011, Los Angeles, CA
32. "Strategies in Forefoot Amputations.", The Western, 04/2011, Los Angeles, CA
33. "Evidence Based Review of Patient Non-adherence.", Save A Leg, Save A Life National Meeting, 10/2011, Orlando, FL
34. "Copper and Diabetes: Emerging Technology.", Save A Leg, Save A Life National Meeting, 10/2011, Orlando, FL
35. "Diabetic Foot Examination: Avoiding the Dreaded Complications.", American Diabetes Association, 04/2012, Hollywood, FL
36. "Limb Salvage: A Podiatrist's Perspective From the Front Line.", Florida Association of ET Nurses, 04/2012, Tampa, FL
37. "Diabetic Foot Examination: Avoiding the Dreaded Complications.", American Diabetes Association Regional, 05/2012, Bonita Springs, FL
38. "Living Skin Equivalents: The Science Behind the Cells.", National Resident Summit, 07/2012, Teaneck, NJ
39. "Prevention: Putting it All Together.", National Resident Summit, 07/2012, Teaneck, NJ
40. "Diabetic Foot Examination: Avoiding the Dreaded Complications.", Florida Association of Diabetic Educators, 10/2012, Orlando, FL
41. "Hope for Healing.", Desert Foot Meeting, 11/2012, Phoenix, AZ
42. "Eight Key Questions Why Wounds Won't Heal.", UCSF Vascular Symposium, 04/2013, San Francisco, CA
43. "Living Skin Equivalents: The Science Behind the Cells.", UCSF Vascular Symposium, 04/2013, San Francisco, CA
44. "Critical Limb Ischemia: A Multidisciplinary Approach.", SAWC, 05/2013, Denver, CO
45. "Advanced Modalities: When to Say No.", Save A Leg, Save A Life National Meeting, 05/2013, Orlando, FL
46. "Living Skin Equivalents: The Science Behind the Cells.", Save A Leg, Save A Life National Meeting, 05/2013, Orlando, FL
47. "Eight Key Questions Why Wounds Won't Heal.", National Podiatric Medical Association, 06/2013, Miami, FL
48. "Eight Key Questions Why Wound Won't Heal.", Florida Association of Physician Assistants, 08/2013, Boca Raton, FL
49. "Thinking Outside the Pancreas: All the Way Down to the Feet.", American Diabetes Association, 11/2013, Hollywood, FL
50. "Skin Substitutes: The Science Behind the Cells.", Desert Foot Meeting, 11/2013, Phoenix, AZ
51. "Conservative Management of Charcot Arthropathy.", Desert Foot Meeting, 11/2013, Phoenix, AZ
52. "Latest Technology in NPWT: Experience From a Wound Clinic.", Desert Foot Meeting, 11/2013,

Phoenix, AZ

53. "Natural History of Amputations.", Diabetic Foot Update, 12/2013, San Antonio, TX
54. "The Science of Wound Healing.", Diabetic Foot Update, 12/2013, San Antonio, TX
55. "Latest Technology in NPWT: Experience From a Wound Clinic.", Midwinter Conference, 02/2014, Chicago, IL
56. "Offloading: Prevention and Treatment of Diabetic Foot Ulcers.", SAWC Spring, 04/2014, Orlando, FL
57. "Diabetic Foot Examination: Avoiding the Dreaded Complications.", American Diabetes Association Regional, 05/2014, Marco Island, FL
58. "Diabetic Peripheral Neuropathy.", Florida Association of Physician Assistants, 08/2014, Marco Island, FL
59. "Diabetic Peripheral Neuropathy.", Florida Association of Physician Assistants, 02/2015, Orlando, FL
60. "The VA has Paved the Way for the Multidisciplinary Approach.", SALSAL Track / AMP Meeting, 07/2015, Chicago, IL
61. "The Value of Living Cell Therapies.", SALSAL Track / AMP Meeting, 07/2015, Chicago, IL
62. "Advances in Negative Pressure Wound Therapy.", SALSAL Track / AMP Meeting, 07/2015, Chicago, IL
63. "An Evidence Based Approach to Advanced Tissue Product.", Western Foot and Ankle Conference, 06/2016, Anaheim, CA
64. "The Art and Evidence of Wound Healing.", Western Foot and Ankle Conference, 06/2016, Anaheim, CA
65. "The Biology of Wound Healing.", University of Toledo 2016 Wound and Hyperbaric Symposium, 09/2016, Sandusky, OH
66. "The Economic Impact of Lower Extremity Wounds.", University of Toledo 2016 Wound and Hyperbaric Symposium, 09/2016, Sandusky, OH
67. "The Role of Podiatrists in Falls Prevention.", Michigan Podiatric Medical Association, 01/2017, Dearborn, MI
68. "Approach to Non-Healing Diabetic Foot Ulcer.", UCSF Vascular Symposium 2017, 04/2017, San Francisco, CA
69. "How Do You Treat Non-Compliant Patients with DFUs?", UCSF Vascular Symposium 2017, 04/2017, San Francisco, CA
70. "Amputation Outcomes.", New Cardiovascular Horizons Meeting, 06/2017, New Orleans, LA
71. "A Surgical Approach to Charcot Debate: Less is Best vs. Reconstruction is the Way to Go.", New Cardiovascular Horizons Meeting, 06/2017, New Orleans, LA
72. "Advancing the Standard of Wound Healing.", New Cardiovascular Horizons Meeting, 06/2017, New Orleans, LA
73. "Eight Pillars of Wound Healing and Advancing the Standard of Care.", Florida Association of Physician Assistants Meeting, 08/2017, Marco Island, FL
74. "Top 10 Foot Conditions as Treated by the Podiatrist.", Florida Association of Physician Assistants Meeting, 08/2017, Marco Island, FL
75. "Podimetrics Smart Mat: The Promise of Prevention.", Desert Foot Conference, 12/2017, Phoenix, AZ
76. "Paradigm Shift Towards Prevention of Diabetic Foot Ulceration: The Role of Dermal Thermometry.", Jesse Brown VA Medical Center Grand Rounds, 02/2018, Chicago, IL
77. "Podimetrics Smart Mat: The Promise of Prevention.", Desert Foot Conference, 11/2018, Phoenix, AZ
78. "Paradigm Shift Towards Prevention of Diabetic Foot Ulceration: The Role of Dermal Thermometry.", Orlando VA Medical Center Grand Rounds, 04/2019, Orlando, FL
79. "Living With Diabetes After Amputation.", American Diabetes Association 80th Scientific Sessions, 06/2020, Virtual Conference

80. "Conservative Strategies for Managing Charcot Foot.", Michigan Podiatric Medical Association Great Lakes Conference, 02/2021, Virtual Conference
81. "Living With Diabetes After Amputation.", Michigan Podiatric Medical Association Great Lakes Conference, 02/2021, Virtual Conference
82. "Medical & Nutritional Considerations in Wound Care.", Michigan Podiatric Medical Association Great Lakes Conference, 02/2021, Virtual Conference
83. "Vascular Assessment of the At-Risk Foot.", Michigan Podiatric Medical Association Great Lakes Conference, 02/2021, Virtual Conference

Panel

1. "Ask the Expert Workshop.", JDRF Type One Summit, 05/2016, Detroit, MI
2. "Ask the Expert for the Adult Patient and Their Spouse, Partner.", JDRF 10th Annual TypeOneNation Summit, 05/2017, Belleville, MI
3. "Ask the Medical Experts: A Roundtable of T1D Discussions for all Ages and all Stages.", JDRF 11th Annual TypeOneNation Summit, 05/2018, Belleville, MI
4. "Ask the Experts.", Care for Your Feet - What You Don't Know May Surprise You, American Diabetes Association, 05/2019, Arlington, VA
5. "Ask the Medical Experts: A Roundtable of T1D Discussions for all Ages and all Stages.", JDRF 12th Annual TypeOneNation Summit, 05/2019, Belleville, MI
6. "Employment Settings: pros, cons and expectations.", Michigan Podiatric Residency Consortium Transitioning from Resident to Young Physician, 05/2019, Farmington Hills, MI
7. "Ask the Experts.", Best Foot Forward: Type 2 Diabetes Foot Care, American Diabetes Association, 09/2020, Virtual Conference
8. "Ask the Experts." Taking Care of Your Feet,, American Diabetes Association, 04/2021, Virtual Conference
9. "Employment Settings: pros, cons and expectations.", Michigan Podiatric Residency Consortium Transitioning from Resident to Young Physician, 05/2022, Farmington Hills, MI
10. "One Step Away" Ask a Podiatrist, The Way to My Heart, 03/2023, Virtual

Seminar

1. "Why Diabetic Wounds Don't Heal.", CCPM Super Seminar, 03/2004, Las Vegas, NV
2. "The Practical Implications of Lower Extremity Wounds.", Vascular Surgery Experts Seminar, 06/2016, Bridgeport, CT

Intramural Invited Presentation

Speaker

1. "The Podiatry Top Ten and Diabetic Foot Complications: Avoiding the Dreaded Complications", University of Michigan, Medical Interpreter Training Academy, 11/2016, Ann Arbor, MI
2. "Knock Your Socks Off: Diabetic Foot Examination", University of Michigan, Turner Geriatric Resource Center/Diabetes Support Group Talk, 04/2019, Ann Arbor, MI
3. "The Podiatry Top Ten for the Geriatrician", University of Michigan, Geriatrics Grand Rounds, 11/2020, Ann Arbor, MI
4. "Evaluation of the Diabetic Foot and Avoiding the Dreaded Complications", University of Michigan, Geriatrics Grand Rounds, 02/2021, Ann Arbor, MI
