

**INTERCESSORY PRAYERS
ON THE LAUDATO SI' GOALS
FOR COMMUNITIES JOINING
THE LAUDATO SI' ACTION PLATFORM**

Sunday // Cry of the Earth // Communities and Leaders

Spirit of Creation, we pray for all our communities, and especially for our leaders. May we hear the Cry of the Earth and support clean energy, ensure clean air and water for all, and re-discover our original vocation as co-creators of a healthy planet through our generous service.

Monday // Cry of the Poor // Families

Lover of the poor, we pray for all families that they may be “the place in which life – the gift of God – can be properly welcomed and protected.” May we join our global Marianist Family in working toward the fullness of life for all, especially those made poor due to neglect or indifference.

Tuesday // Economics // Businesses, Organizations

Provident God, help us bring “together the different fields of knowledge, including economics. Guide us in placing your own resources at the service of a more integral and integrating vision that helps create a new economic paradigm that promotes “new models of integral development”.

Wednesday // Simple Sustainable Lifestyle // Hospitals

Caring God, we pray that our communities and institutions, especially our health care centres, may grow in the capacity to care. May we understand and value how simple gestures and sustainable lifestyles make it possible for others to live throughout the globe and in future generations.

Thursday // Education // Educational Institutions

God of Knowledge and Virtue, assist us to “grow in solidarity, responsibility and compassionate care.” May our educational projects and institutions help to restore harmony within ourselves, with others, with all ecosystems and with God.

Friday // Spirituality/Organizations

Triune God, help us to develop a spirituality of global solidarity which flows from the mystery of who you are, an interconnected community of love. May Adele’s spirituality “motivate us to a more passionate concern for the protection of our world”.

Saturday // Community Involvement and Participation // Communication

God of communion, enable us to become apostolic communities of participatory action and advocacy, for the Earth and the poor. As missionaries of Mary, may we form networks of open and respectful dialogue and use all the communication avenues available to us for the common good.
