

The Adele Social Justice Project (young adult initiative of the Marianist Social Justice Collaborative) with the Association of Marianist Universities & the University of Dayton  
Presents a U.S. Marianist Panel & Dialogue:

# ELECTIONS 2020: JUSTICE SIGNS OF OUR TIMES

**Wednesday, September 30th  
8 - 9:30 PM ET Via Zoom**

What would  
our founders  
say?

Unity in our  
diversity

- What might our Marianist Founders say to us as we face the social justice challenges of our time?
- How does one best engage, form one's conscience and vote considering the multi-issues of Catholic social teaching?
- How can we engage in civil, respectful dialogue with friends, families, neighbors & coworkers?
- How do we remain united in our diversity as Marianist communities and institutions in the places we live?
- What resources are available to assist our decision-making, civil discourse and civic engagement?

Join with expert presenters and participants from our Marianist Universities, schools and other ministries and communities throughout the US as we reflect and respectfully dialogue in breakout rooms about being multi-issue voters that advance justice, peace and a sustainable environmental future. **All are Welcome!**
