

## PRAYER FOR THE TWENTY FIFTH ANNIVERSARY OF MSJC

Gracious God, as we celebrate twenty five years of the Marianist Social Justice Collaborative, we members of the Marianist Family unite in prayer with our Founders.

Their courage, generosity and focus on justice in their day, paved the way for our lay and religious communities to be people of justice in today's world.

We give profound thanks for all who have helped advance our mission and all who are engaged in this work.

May we always follow our Founders' example of forming communities and leaders that strive to discern the signs of the times, understand the roots of injustice, and effectively model ways to make systemic change toward a just society.

We offer this prayer to You, Creator, Redeemer, Spirit, in union with Mary, our Mother, to whom we consecrate our efforts.  
Amen.
