

Seeking a Leader of Faith Formation Ministries

Saint Peter Lutheran Church in Greenwood Village, Colorado is looking for a Faith Formation Ministries Leader. This faithful and creative leader will hold a one-half to three-quarter-time position on our staff. Areas of responsibility will include creating new opportunities for people of all ages to grow in faith, and serving as a resource for leaders of existing ministries as they seek to do the same.

We envision a vibrant ministry of enriching the spiritual lives of the people of Saint Peter as they grow deeper into the promise and purpose of our faith. With the right leadership and commitment to this ministry, we can imagine a growing number of us with a deeper commitment to Christ, and a greater enthusiasm for being involved in day-to-day ministry.

The context:

We are living in a time when many are walking away from the Christian Faith. Fewer young people are staying connected to Christ. Fewer newcomers show up at Sunday worship. It is a critical time for the church. Believers need to be grounded in a community that is grounded in Christ. We are looking for an experienced, Spirit-led individual who will lead our congregation's efforts to enrich the lives of the families we serve through various faith formation methods.

The Saint Peter community includes many families who live fast-paced, sometimes over-scheduled lives, and the ideal candidate will be a resource for Spiritual formation who will work with our hearts, not our calendars. The role requires a passion for Christian ministry, and someone who brings creativity, strong organizational skills, and a long-term vision for how we can nurture a connection to Christ for our families.

If you are interested in this exciting opportunity that will change the lives of those you serve, please submit a resume and a cover letter describing your vision for how you would go about this work, and what you believe you can contribute to this important ministry to
