■ BACKGROUND INFORMATION

The following information will assist each voting member in the discharge of responsibility. Some material is taken from the Constitution and Bylaws of the Rocky Mountain Synod and will be identified by the symbol RMSC.

Evangelical Lutheran Church in America

The church was constituted on January 1, 1988 from the previous church bodies of The American Lutheran Church, Association of Evangelical Lutheran Churches, and Lutheran Church in America. Spanning the United States and the Caribbean, the ELCA consists of 65 synods. The Rocky Mountain Synod is one of five synods in Region 2.

ELCA Regions

The ELCA is divided into nine regions, which are points of connection and ministry for each of the synods in the various regions. Regions work together, especially in terms of the call process for rostered leaders.

The Synod

The territory of the Rocky Mountain Synod is the states of COLORADO; NEW MEXICO, excluding Curry county; UTAH excluding Washington county; WYOMING, excluding the counties of Big Horn, Lincoln, Park, Sheridan, Teton, and Washakie; and including in TEXAS only the counties of Brewster, Culberson, El Paso, Hudspeth, Jeff Davis, Loving, Presidio, Reeves, Ward, and Winkler.

Purpose of the Synod

To participate in God's mission, this synod as a part of the church shall:

- Proclaim God's saving Gospel of justification by grace for Christ's sake through faith alone, according to the apostolic witness in the Holy Scripture, preserving and transmitting the Gospel faithfully to future generations.
- Carry out Christ's Great Commission by reaching out to all people to bring them to faith in Christ and by doing all ministry with a global awareness consistent with the understanding of God as Creator, Redeemer and Sanctifier of all.
- Serve in response to God's love to meet human needs, caring for the sick and aged, advocating dignity and justice for all people, working for peace and reconciliation

among the nations, standing with the poor and powerless, and committing itself to their needs.

- Worship God in proclamation of the Word and administration of the sacraments and through lives of prayer, praise, thanksgiving, witness, and service.
- Nurture its members in the Word of God so as to grow in faith and hope and love, to see daily life as the primary setting for the exercise of their Christian calling, and to use the gifts of the Spirit for their life together and for their calling in the world.
- Manifest the unity given to the people of God by living together in the love of Christ and by joining with other Christians in prayer and action to express and preserve the unity which the Spirit gives. (RMSC S6.02)

Synod Council Functions

- Be the Board of Directors of the synod and serve as its interim legislative authority between meetings of the Synod Assembly.
- Exercise trusteeship responsibilities on behalf of the synod.
- Recommend program goals and budgets to the regular meetings of the Synod Assembly.
- Carry out the resolutions of the Synod Assembly.
- Provide for an annual review of the roster of Ministers of Word and Sacrament (Pastor) and Ministers of Word and Service (Deacon) and make a report to the Synod Assembly of the actions in this regard.
- Issue letters of call to pastors and deacons who are serving in specialized ministry, as authorized by Chapter 7 of the constitution and bylaws of the ELCA.
- Promote the interests of the ELCA.
- Provide oversight and coordinate the work of the Boards, Commissions, Committees and all other synodical entities.
- Determine the time and place for each Synod Assembly and oversee the agenda and program.
- Elect the representatives of the synod, who are to serve, in addition to the bishop, ex-officio, on the governing bodies of institutions and agencies to which this synod relates.
- Elect the representatives to the Regional Council. (RMSC S10.03.01)

Special Assistance Fund

A Special Assistance Fund has been developed and approved by the Synod Council to offer financial assistance to voting members who would otherwise be unable to attend the assembly. Through this fund it is the goal and vision of this synod that a more representative body of believers be developed from across the synod, regardless of socio-economic circumstances. Members of congregations selected to be voting members to the assembly and who would suffer loss of daily wages while attending the assembly are qualified to receive assistance from this fund. These should be individuals who are non-salaried, daily wage earners without the benefit of paid vacation days. Up to approximately \$200 per person is available. The pastor of the congregation should submit a request on behalf of the member, whose name may be kept confidential. Dollars will be made payable to the congregation for payment to the member. The pastor must state the employment of the voting member and the amount of wages that would be lost during the days of the assembly. The pastor will be asked to report the use of the funds to the Synod Council using the form that will be provided. Any taxes will be the responsibility of the recipient. For further information, contact the Office of the Bishop.

■ GUIDELINES FOR THE CONDUCT OF BUSINESS

The assembly is meant to be a meaningful experience for all. Everyone should feel free to participate. Good order at an assembly is not intended to restrict participation but to protect the rights of each voting member. The following guidelines (from Robert's Rules of Order, Newly Revised) are to help in understanding the business proceedings. The Bishop hopes they will be of assistance in enabling you to participate in the necessary business.

Obtaining the Floor - Prior to a voting member speaking in the assembly, whether to make a motion or to engage in debate, it is necessary to obtain the floor. When no one else "has the floor," the voting member may address the chairperson saying, "Bishop Gonia." If recognized by the chair, the voting member is then entitled to speak, first stating his/her name and congregation.

Making a Motion - When presenting a motion to the assembly, a copy must be written out and given to the secretary.

Amendments to Motions - When a motion brought before an assembly does not meet with ready acceptance by all the voting members, and if it can be made more suitable or acceptable in an altered form, a proposal to modify the wording can be introduced by making a motion to amend.

"Previous Question" - To move the "previous question" is to bring the assembly to an immediate decision as to whether debate on a motion should cease. It is not debatable. If adopted, the assembly proceeds, without further debate, to vote at once on the pending question(s). A two-thirds vote is required to close debate.

■ IN CASE OF EMERGENCY

During plenary, go to a microphone and announce the emergency, as those in attendance most always include persons with medical training.
