

Leadville *in Bloom*

ONLINE AUCTION

You can help us deepen our roots this year! We are growing our annual Planter Box Program into an online auction event! By supporting this endeavor, we all work together to ensure beautification along Harrison Avenue continues well past the 2022 growing season! Won't you help us keep Leadville in Bloom?

Repurpose and redesign a planter for the auction, place your bid on a planter or choose a location to sponsor ... it's your choice! QUESTIONS? Reach out to us!

3 WAYS TO PARTICIPATE!

3 CHOOSE YOUR SPOT FOR 2022!

Not only can you bid on the sponsorship of one of our Leadville Main Street planter boxes ... you can bid for the opportunity to place it in the location of your choice in the colorful, historic Harrison Avenue district.

1 GET CREATIVE!

We want you to do what you do best! Reuse, reduce and recycle one of our discontinued planter boxes. Use your imagination and re-decorate or re-purpose one of these boxes and donate it back to our on-line auction as an item for bid. Boxes are available for pick-up at the Leadville Main Street office while supplies last. Re-purposed boxes need turned in by October 11.

READY, SET, BID! 2

In addition to an assortment of repurposed/redecorated boxes to bid on for your personal use, you have the opportunity to bring spring blooms back to Harrison Avenue and bid on sponsorship of our Leadville Main Street planter boxes for 2022. These iconic boxes are part of our community culture. Enjoyed by all, they are especially important to welcome visitors and encourage growth in our community!
