

TCS AFTER SCHOOL WORKSHOPS

Winter 2022 11/29-03/02

Kawaii Art Class

(Tues, grades 3-5, w/ Ms. Naomi): Kawaii is a Japanese word meaning “cute” or “adorable. In this class we will explore the Japanese kawaii style art form. We will explore the shapes and most importantly expressions that make up a kawaii creation. Use ink, watercolor and other materials to illustrate cute animals, food and even your own original kawaii character.

Legacy Hoops

(Tues, grades 6-8 w/ Legacy Sports): Our Legacy Hoops basketball program features drills, contests, shooting competitions and scrimmages. The program mixes instruction, recreation, and competitive basketball development into each class. Whether you are new to the game or already a hardwood hero, this program will fit your basketball needs!

Each class is \$200

Scholarships are available

Please email workshops@tcsconnect.org with any questions, comments, or requests

Dungeons and Dragons

(Wed Grades 3-8 w/ TCS parent) In Dungeons & Dragons, the players form an adventuring party who explore fantasy worlds together as they embark on epic quests and level up in experience. The Dungeon Master (TCS parent, Doug Swanson) is the game’s referee and storyteller. There’s no winning or losing in D&D—at least, not in the conventional way. Students will learn the fundamental rules of the game, how to make their character, and how to manage a game for a group of their friends.

Dynamic Chess

(Wed Grades K-8 w/ William Aramil): Your child will be given a solid foundation in the basics of chess and more advanced concepts based on their starting level. There will be 1 hour of chess per week (approximately 30 minutes of instruction/discussion and 30 minutes of playing). All playing levels are welcome, including absolute beginners.

TaeKwonDo

(Wed Grades 3-8 w/ Flying V): The art of Taekwondo, a total fitness program integrating mind, body and spirit. Students will focus on improving basic motor skills and developing confidence, self-esteem, discipline, respect and focus. Taekwondo uniform (Dobok) is optional for this class and may be purchased through instructor. Belt testing is offered through the Flying V Martial Arts at an additional fee to be coordinated directly with Flying V.

Registration opens at 11/6 at 8:30 am

and closes at 11/16 at 8:00 pm

No late registrations

Kids Project available after classes if needed

Amusement Park Engineering (LEGO)

(Thurs, grades 3-8 w/Snapology): We bet your child loves going to amusement parks to experience the variety of fast, dropping, and spinning rides, but have they ever thought about the science that goes into building those rides and the people who are responsible for designing them? In class, students will become engineers of their own amusement park rides and will learn the core physics and engineering concepts used to make a ride thrilling!

Anime/Manga Drawing & Mixed Media

(Thurs, grades 6-8 w/Slowfire): Students will improve foundational skills in drawing and have fun learning to create their own anime characters, as well as draw their popular favorites like One Piece, Naruto, Demon Slayer, Dragon Ball, HunterxHunter and more! Students with previous experience will continue to build on their skills in this small group class.

Multi-sport Madness

(Thurs Grades 3-5 w/ Legacy Sports): Join the thousands of kids that have made Multi-Sport Madness the most popular program at Legacy Sports! MSM features variations of traditional gym games like relay races, tag, capture the flag, dodgeball, soccer, as well as our popular Legacy games like Hand Hockey, Illinois Jones and Battleship.
