

Zack Bacak

Candidate for Delegate

My name is Zack Bacak and I work as a performer and composer throughout many of the avenues us musicians pursue: orchestras, musical theater, jazz and popular music, corporate events, professional recordings, and education. My goal for pursuing a delegate position is to help foster a musicians' union for 2025 and beyond. It is imperative we unite the AFM and other labor unions to organize and bolster the strength of workers in our community, especially in an age where many of us are being abused and replaced. Thank you for your consideration.
