

Bebo Shiu

Candidate for President

For the past nine years, I have had the privilege of serving two terms as Director and one term as the Vice-President on the BMA Board. I recently served as the negotiating committee chair for the New Bedford Symphony which resulted in a 31% wage and pension increase over three years as well as for the Boston Festival Orchestra which remains at Wage Scale I. Furthermore, I currently serve as the BMA website committee chair revitalizing our website to meet our members' needs. Finally, I look forward to serving the membership as a negotiating advocate and as an attentive colleague.
