

Deborah Boykan

Candidate for Board of Directors & Diversity Delegate

As a third-generation union musician, and BMA member for 25+ years (6 years on BOD), with extensive negotiation experience and training (Harvard Law School PON), I am passionate about bettering the lives of musicians, and am well equipped to help steer the BMA in a new direction.

Particular interests:

- Strengthening CBAs while building community within the BMA and the general public.
- Forming partnerships to give musicians better access to mortgages, health care, and other basic needs.
- Insuring transparency of BMA business

I welcome your ideas and respectfully ask for your vote to work for a union that represents all members.
