

Walt Bostian

Candidate for Board of Directors

With 30 years in Local 9-535 playing in both the classical and commercial world I have a good grasp of the issues we face as players. With 20 years on the theater committee, I've been involved in many CBA negotiations and understand much about the administrative side of our business as well. As Chapter Director of the Boston TMA I have experience and relationships at the national level that bring a broad perspective of union issues. My hope is to now be able to give back by serving on the board.
