

Amelia Hollander Ames

Candidate for Board of Directors & Delegate

I'm a violist—active in chamber, orchestral, recording, pop, conducting, and teaching—and a mom. I serve on the Vista Philharmonic Orchestra Committee and previously served on the BMA's Antiracism Committee before it was disbanded. I love Boston: we have the best musicians and the best union. But the BMA needs to catch up to how savvy, justice-minded, and diverse its members are. I'm running to push for a more transparent, responsive, and forward-thinking board—one that offers real protection and advocacy. I'd be honored to represent you and ask for your vote.
