

# LOVE OUR COMMUNITY SCAVENGER HUNT

## We Invite You to Participate in a Summer Long Game Promotion for Our Members!

The Gr. Hudson Chamber of Commerce is sponsoring a Member Appreciation Scavenger Hunt to promote our members and community and we invite you to participate, at **no cost to you!** The Summer long “event” will welcome the community to visit and/or learn more about our members by completing “missions” and win cash prizes. This will be a member only exclusive promotion, and again it is **free for members to participate!**

### How Do Our Members Get Involved?

Each participating member will have an individualized “mission” to accomplish for our players to complete to earn points. Missions can be a selfie with your sign or at your business, answer a question about your business or organization, or submit a video performing a specific task. We will work with you to make the mission relative and specific to your company or organization.

### Who Can Play?

Anyone in the community! Players will download the free GooseChase™ app on their smart phone, obtain a password from the Chamber, select our game and play individually or in teams. They earn points for completing missions and the top scorers win cash prizes sponsored by your Chamber. There is no cost to play and no cost to download the app for players.

### How Long is the Game?

We will be running the Scavenger Hunt promotion for the entire summer. Missions will be released each week. At the end of the summer, we will award the cash prizes. To keep the interest and excitement going we will share submitted photos and videos on our website, e-news and social media to keep everyone engaged and further promote our members for optimal exposure. We can even share the submissions for you to include on your social media sites.

### Get MORE Involved by Donating a Prize!

We invite and encourage you to contribute a prize that we can raffle off to the players. Each week we will hold raffle announcements to add to the excitement and involvement of participants and further highlight your business. After all, everyone loves to be a winner!

### What You Can Do to Participate?

Fill out the Member Participation form. We'll work with you to create the perfect mission, if you need help and then add it to the app. There is no cost! Your Chamber will do all the promotions and share completed missions. If you'd like to share on completed missions to your social media or website for further cross promotions, we will be sure to share them with you.
