Unchanging
In
An Endless Namaste
Poems of Awakening
By Sharon Telford

I am the unchanging One

Present

in the midst of change

I am the Unaffected One

Present

as the body weeps

I am the peaceful One

Present

in the midst of war

I am the joyful One

Present

as the heart breaks

I cradle my humanity

with the exquisite love

Of the Divine Mother

No denial

No bypass

No turning away

From what is

Just Being

The Love

that loves it all.
