## A Prayer for World Peace

By Ernest Holmes

In 365 Science of Mind

I know there is but One Mind, which is the mind of God, in which all people live and move and have their being.

I know there is a divine pattern for humanity and within this pattern there is infinite harmony and peace, cooperation, unity and mutual helpfulness.

I know that the mind of humankind, being one with the mind of God, shall discover the method, the way and the means best fitted to permit the flow  
of Divine Love between individuals and nations.

Thus harmony, peace, cooperation, unity and mutual helpfulness are experienced by all.

I know there will be a free interchange of ideas, of cultures, of spiritual concepts, of ethics, of educational systems and scientific discoveries — for all good belongs to all alike.

I know that because Divine Mind has created us all, we are bound together  
in one infinite and perfect unity.

I know that all people and all nations will remain individual but unified for the common purpose of promoting peace, happiness, harmony and Prosperity.

I know that deep within each person the Divine Pattern of perfect peace is already implanted.

I now declare that in each person and in leaders of thought everywhere this Divine Pattern moves into action and form, to the end that all nations and all people will live together in peace, harmony and prosperity forever. And so it is.
