December 8, 2025

Dear Friends of First Church,

I have officially started my Eagle Scout service project. I plan to purchase and assemble portable shelters to go over the benches on the Oberlin High School soccer field. The shelters will protect our soccer teams, as well as the visiting teams, from wind, rain, sun and possibly snow (because you just never know in Ohio)! This project will not only improve the school's facilities but will also serve as a lasting benefit to our athletes and staff at Oberlin H.S. The cost of two shelters is approximately \$10,000-12,000. To complete this project, I am seeking financial donations to cover the cost of the portable bench shelters. All donations will go directly toward completing this community service project.

Thank you very much for your consideration. Your support would make a meaningful difference in helping me successfully complete my project and earn my Eagle Scout. Any contribution, large or small, will be greatly appreciated. For a tax deductible donation, please make your check payable to Oberlin High School (memo: Peter's Eagle Project). All other checks can be made out to me. Cash is also acceptable! I would be happy to pick up any donation, just text me with your address. I will also be in church on the 21<sup>st</sup> if you would like to donate. Go Phoenix!

Sincerely,

Peter Caldwell-Kepner
