

**Got an interesting idea, question or suggestion for
First Church? Don't lose track of it!
Record it here.**

Your name

The Sabbatical Coordination Team encourages all committees and individuals to capture any and all interesting/valuable insights, questions, and suggestions about First Church – which often emerge during committee meetings, informal conversations, Adult Ed or other settings – so that we have a chance to share them with each other and further consider them.

Use this document as a place to jot down your ideas. Simple notes are fine; no need for a lengthy write-up. This document is meant to be shared with members of your committee / group so that all may contribute.

The SCT will collect and compile these documents early in April to correlate them for use in post-sabbatical sessions with Pastor David, church leaders, committees, and the congregation.
