CROSSROAD
Child & Family Services

**This year, we
donated \$800 to
Crossroad!**

Hope

Crossroad is a not-for-profit treatment provider for at-risk children and their families. Behind that simple description is a long list of therapy, education, and family support services provided both to children who live on our campus and to those we work with in the community.

Many children – either because of who they are or because of what’s happened to them – have emotional and behavioral difficulties. Crossroad is where they get help, healing and hope.

Values

Children who come to Crossroad learn to value themselves and others. Values provide the solid ground the children need as they learn, change and become “valuable” adults.

Stability

For decades, judges, educators, social service professionals, and parents have turned to Crossroad for help with troubled children. Crossroad has become the rock of certainty for its children and for those who love and care about them. Crossroad offers a continuum of care that meets the needs of hurting children and families in Indiana – and beyond. Our programs and services include:

Outpatient Counseling Services

Children’s Mental Health Wraparound Programs

Crossroad Academy (Alternative Education)

Residential Treatment Programs

In addition, Crossroad is contracted with the Indiana Department of Child Services to provide a variety of Home- and Community-Based services, including Comprehensive Services, Home-Based Family Centered Casework Services, Home-Based Family Centered Therapy Services, and Individual/Family Counseling.
