## GRANT AWARDED FOR SUGAR MUSEUM'S PROGRAMS AND PROJECTS

Puunene, Maui, Hawaii – Alexander & Baldwin has awarded a \$20,000 grant to the Sugar Museum. The grant will provide support for the museum's core programs and projects. Museum Director Holly Buland said, "We are very grateful for this award. Alexander & Baldwin is committed to supporting local communities, allowing us to provide valuable services to the people of Maui--and beyond."

- **Education Program:** Helps children learn about our sugar plantation heritage and how it helped shape our current society. Alexander & Baldwin has been supporting the transportation and operating costs for second-grade students since the inception of the program in 1990.
- **Marketing:** Operating costs for promoting the Museum through advertising as well as printing the "Passport to the Past," which offers discounted admission to four island museums.
- **Community Outreach:** Delivers information to our neighborhoods through displays at festivals and other cultural events throughout the year. As a resource for the community, we provide cultural and community groups with loans of photographs and objects from our collection for their events, bulletin board space to promote their activities, and a venue for community meetings.
