

NO MORE TAX-FREE US \$\$ FOR

AND ETHNIC CLEANSING OF PALESTINIANS

This event is intended to introduce the Defund Racism campaign, which targets pro-Israeli organizations disguised as 501c(3) charities that fund Israeli settlements using tax-deductible donations from the United States. These organizations are therefore complicit in the ethnic cleansing of Palestinians from places like Sheikh Jarrah, Silwan, South Hebron Hills and many other places in Palestine. There are already groups of activists working on Defund Racism campaigns in NY, FL, and PA exposing this racist funding of Israeli settlements.
