

Holy Apostles Church

Stewardship Update as of 2/28/21

Holy Apostles Church's vision is to provide a loving and caring community where all are welcome and nurture growth in the Orthodox Christian faith through worship, witness, education, service and fellowship.

2021 Stewardship Goals & Year-To-Date (YTD) Results

- Stewardship is faith in action, motivated by humble gratitude to God for his blessings in our life. It calls on the faithful to cheerfully offer back to God a portion of gifts with which they have been blessed. It encompasses time, talent and treasure, not just one or the other, but all three together.
